Defendant/counterclaimant Fathi Yusuf, through his undersigned counsel, pursuant to Super. Ct. R. 39(a) and Fed. R. Civ. P. 34, hereby propounds the following Requests for Production of Documents to Waleed Hamed to be answered separately and fully in writing within thirty (30) days from the date hereof.

### INSTRUCTIONS FOR ANSWERING

1. You are required, in responding to this request to obtain and furnish all information available (or available, upon demand) to you and any of your representatives, employees, agents, brokers, servants, or attorneys and to obtain and furnish all information that is in your possession or under your control, or in the possession or under the control of any of your representatives, employees, agents, servants or attorneys. In addition, "control" under Fed. R. Civ. P. 34 is broadly construed and, therefore, you are obligated to produce documents requested as long as you may have the legal right and/or ability to obtain the documents from another source on demand.
2. Each request which seeks information relating in any way to communications to, from, or within a business and/or corporate entity is hereby designated to demand, and should be construed to include, all communications by and between representatives, employees, agents and/or servants of the business and/or corporate entity.
3. Each request should be responded to separately. However, a document that is responsive to more than one request may, if the relevant portion is marked or indexed, be produced and referred to in a later response.
4. All documents produced shall be segregated and identified by the request to which they are primarily responsive. For any documents that are stored or maintained in files in the normal course of business, such documents shall be produced in such files, or in such a manner as to preserve and identify the file from which such documents were taken.
5. If you object to part of any request, please furnish documents responsive to the remainder of the request.
6. Each request refers to all documents that are either known by you to exist or that can be located or discovered by reasonably diligent efforts.
7. The documents produced in response to this request shall include all attachments, metadata, and enclosures.
8. The documents requested for production include those in the possession, custody, or control of you, your agents, representatives, or attorneys.
9. References to the singular include the plural.

10. The use of any tense of any verb shall be considered also to include within its meaning all other tenses of the verb so used.
11. Please note that you are under a continuing duty to seasonably supplement the production with documents obtained subsequent to the preparation and filing of a response to each request.
12. All documents called for by any request for which you claim a privilege or statutory authority as a ground for non-production shall be listed chronologically as follows:
  - a) The place, date and manner of recording or otherwise preparing the document;
  - b) The name and title of the sender;
  - c) The identity of each person or persons (other than stenographic or clerical assistants) participating in the preparation of the document;
  - d) The identity of each person to whom the contents of the document have been communicated by copy, exhibition, sketch, reading or substantial summarization, the dates of such communication, and the employer and title of such person at the time of the communication;
  - e) Type of document;
  - f) Subject matter (without revealing the relevant information for which privilege or statutory authority is claimed); and
  - g) Factual and legal basis for claim, privilege or specific statutory or regulatory authority which provides the claimed ground for non-production.
13. Each request to produce a document or documents shall be deemed to call for the production of the original document or documents to the extent that they are in, or subject to, directly or indirectly, the control of the party to whom this request is addressed. In addition, each request should be considered as including a request for separate production of all copies and, to the extent applicable, preliminary drafts of documents that differ in any respect from the original or final draft or from each other (e.g., by reason of differences in form or content or by reason of handwritten notes or comments having been added to one copy of a document but not on the original or other copies thereof).
14. All documents produced in response to this request shall be produced notwithstanding the fact that portions thereof may contain information not requested.
15. If any documents requested have been lost or destroyed, the documents so lost or destroyed shall be identified by author, date and subject matter.
16. Where exact information cannot be furnished, estimated information is to be supplied to the extent possible. Where estimation is used, it should be so indicated, and an

explanation should be given as to the basis on which the estimate was made and the reason exact information cannot be furnished.

17. With respect to any document requested which was once in your possession, custody or control, but no longer is, please indicate the date the document ceased to be in your possession, custody or control, the manner in which it ceased, and the name and address of its present custodian.
18. Unless otherwise indicated, each request is to be construed as encompassing all documents which pertain to the stated subject matter and to events which transpired giving rise to this litigation up to the present.
19. Foreign language (i.e. in a language other than English) documents must be produced if the meaning and/or definition of the words in the document may cause the document to be responsive to any request. If you are in possession of English and foreign language versions of the same document, all versions of the document must be produced.
